ABOUT THE UNIVERSITY OF RAJASTHAN

The University of Rajasthan is the oldest state institution of higher learning in Rajasthan. It was established on 8th January, 1947 as the university of Rajputana with the main objective of disseminating knowledge and catering to the needs of the students of the state as well as the country. The University holds various branches in the field of arts, commerce, science, education, fine arts, engineering and technology, law, management, social science with many SFS courses. In the 72 years of journey the University has flourished in both academics and research along with the development of infrastructure and instrumentation facilities with numerous grants like RUSA, SAP, CAS, FIST etc. University is re-accredited with an 'A' grade by NAAC and the status of University with Potential for Excellence by the UGC.

THE DEPARTMENT OF ZOOLOGY

The department of Zoology was established in 1960 by Late Professor L.S. Ramaswami at Jaswant College Jodhpur. Later it was shifted to Jaipur in 1963 at the Vigyan Bhawan of the University of Rajasthan and finally to its newly constructed building in October, 1966. The department has distinguished faculties and finest scholars who having served the department were offered highest position at the national level. The department has received many prestigious grants viz., Rockefeller Foundation (USA), USDA, DST, UGC-COSIST, UGC-SAP (Phase I, II, III), and UGC-CAS (Phase I, II). In 2005 the department was recognized as Centre for Advanced studies by UGC.

The department is currently running with 36 faculty members and five special papers as Entomology, Cancer biology, Cell Biology, Reproductive Biology and Environmental Science.

ABOUT THE CITY

Founded in AD 1727 by Sawai Jai Singh II, Jaipur the capital of Rajasthan is popularly known as the Pink City with planned and broad avenues and spacious gardens. Jaipur is steeped in history and culture where past comes alive in magnificent forts and palaces. The bustling bazaars of Jaipur famous for embroidered leather shoes, blue pottery, tie and dye scarves, jewellery and other exotic wares are a treasure trove for the shoppers. This fascinating city with its romantic charm takes tourists to an epoch of royalty and tradition.

REGISTRATION DETAILS

The Registration Fee will be accepted in form of Cash/Online Payment at the given Bank Details along with duly filled registration form.

In case of Online deposition please mention UID No. in the Registration form (Scanned copy can be sent through E-mail nwsbeurjaipur@gmail.com)

EARLY BIRDS REGISTRATIONS

Scholars & Students	10, Jan 2020	800/-
Faculty & Delegates	10, Jan 2020	1500/-

ON SPOT REGISTRATION

Scholars & Students	27, Jan 2020	1000/-
Faculty & Delegates	27, Jan 2020	2000/-

BANK DETAILS

Account Name	: UOR JPR A/c National Workshop on Skill Based Entomology
Bank Name	: ICICI Bank
Account Number	: 674701702116
Branch	: University Branch, Jaipur
IFSC code	: ICIC0006747

E PATRON:

Prof. R.K. Kothari
Vice- Chancellor
University of Rajasthan, Jaipur

E CO-PATRON:

Prof. Ashok Kumar
President, ISLS
Vice- Chancellor
Shree Kallaji, Vedic University, Chittorgarh, Rajasthan

E CHAIRMAN

Prof. Deepak Bhatnagar
Dean, Faculty of Science, University of Rajasthan, Jaipur

E CONVENER:

Dr. P. J. John
Head, Department of Zoology
University of Rajasthan, Jaipur

E Organizing Secretaries:

Dr. Vinod Kumari
Mob.: 9829392063
Dr. Neetu Kachhwaha
Mob.: 9587266602

E CO-ORGANIZING SECRETARIES:

Dr. Shashi Meena
Dr. Geeta Meena

E JOINT ORGANIZING SECRETARIES:

Dr. Pallavi Kaushik
Dr. Mahesh Kumar Meena

VENUE

L.S. Ramaswami Hall,
Department of Zoology, University of Rajasthan, Jaipur

Entomologists have the position and authority to render effective service to humanity. The aim of the present workshop is to use entomologist's knowledge and skills for the betterment of human welfare. Entomologists will endeavor to provide opportunity for their professional development and advancement during the workshop. The workshop will give equal emphasis on theory and corroborative practicals. Applied topics having commercial propositions are also incorporated that further adds to the enhancement of entrepreneurial potential and skills amongst the learners.

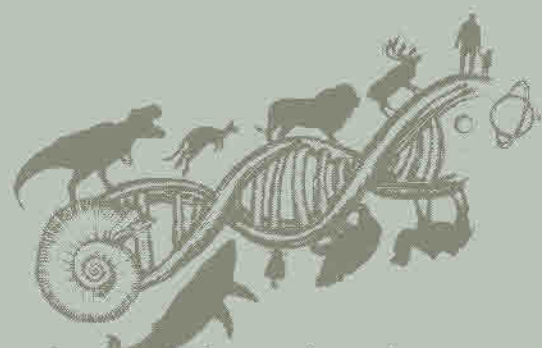

THEMES

- Molecular identification of insects
- Morphological identification of insects
- Tools for Self Employment (Sericulture, Apiculture, lac culture)
- Bio Diversity
- Public health entomology
- Forensic Entomology
- Local Agricultural problems and their solutions through interaction with farmers
- Demonstration of equipments and appliances

AWARDS

1. Unique insect collection and display competition- The regional collection of insects (at least three) can be self displayed in their own insect boxes by the interested participants. A prior consent to display through email is mandatory for the participation in the competition.

2. Unique insect photography competition - The self clicked photographs of insects (at least three) can be self submitted by interested participants in soft copy (by 10 Jan 2020) and hard copy (needed at the time of workshop). The details about the insect classification and location, date and time of click should be appended with the photograph along with personal details (name and affiliation).
